Winter Park Tech is recognized in Central Florida as the leading training center for Business and Information Technology. Winter Park Tech provides a “High-Tech, High Touch” educational environment, state-of-the-art equipment and an exceptional instructional staff where students develop exception technical and soft skills. The job outlook for our graduates is excellent, since our programs meet the industry standards of the employers in our community.

Winter Park Tech offers training in the following career clusters:

- Arts & Design
- Business Technology
- Health Sciences
- Information Technology

In addition to these clusters, we offer GED preparation, high school credit courses, and ESOL classes for students wishing to learn English. Winter Park Tech is fully accredited by the Council on Occupational Education and the Southern Association of Colleges and Schools. Both Medical Assisting and Court Reporting have additional national accreditations. A majority of the programs are articulated with community colleges across the state so students can continue their education without missing a beat.

why winter park tech?

Students at **Winter Park Tech** represent a wide variety of cultural and ethnic backgrounds

"My experience at Winter Park Tech has been fun and educational. The faculty is highly trained and skilled to teach the subject you are trying to learn. I have learned that Winter Park Tech is a school dedicated to personal success and achievement."

--Anetra Callender, student,
Medical Coder/Biller ATD

THIS COULD BE YOU!

For information about national and program accreditation, refer to www.wpt.ocps.net/accreditation.html

High Tech, Hands-On Training: Use the tools and technology of professionals working in your career field of interest. All our equipment meets or exceeds industry standards.

Small Classes & Convenient Schedules: Our classes are small so you receive individual attention every day, and classes are offered during the day and evening.

Affordable Tuition: We are part of the Orange County Public School System and supported by your tax dollars. Our tuition is reasonably priced.

Career Center: Our full-time Career Center staff will assist you with resume preparation, interviewing skills, and employment opportunities.

Financial Aid: We are proud of the fact that our students “graduate with jobs, not loans.” Scholarships are available for students through the school district and the *Foundation for Winter Park Tech, Inc.* as well.

Job Placement: We prepare you for the high skill/high wage careers in our community. Our Job Developer is available to assist you in finding the right job for you!

24 occupational training certificate programs
